AFFIDAVIT OF PLAINTIFF KIPP R. GIBBS

The Plaintiff, On March 8, 2004, filed an eleven-page "Opposition to Reply Brief" (filed electronically in the PACER system as "Response"), which included four additional pages of exhibits. Pages 10 and 11 of the Opposition, which contained the "Conclusion" of the Plaintiff and are the most damaging pages to the Defendants, were not scanned into the electronic filing system with the rest of the document.

Accordingly, today, March 16, 2004, each page has been individually time-stamped and re-filed with the Clerk's office. Additionally, the content of the missing pages has been included in *this* document.
